

Notes for Professors

Classes scheduled from July 13rd to August 8th

Location: Second Floor, New Otani Chang Fu Gong (26 Jianguomen Outer St, JianWai DaJie, Chaoyang Qu, Beijing)

Contact: 18611113812 (Victoria Wang)

We will provide you with local cellphone card (number), and we highly suggest you could be using this on your own cellphone.

Meanwhile, we encourage you to register Chinese social software (e.g. WeChat) with this cellphone number, and get in touch with students and faculties more conveniently. Moreover, we will provide you with an additional cellphone in case you need to keep your own card activated.

Please do not hesitate to contact us if you have any medical or emergency issue, as well as suggestion or concern. Thank you for your cooperations.

*Reminder: the amount of network data on China's cellphone plan is relatively limited, please pay and charge more data once you use out the original plan.

Kindly Reminder

Dear professors, parents, and the pupils of special A,

For the safety of all professors as well as the rights and interests of the parents and pupils, Special A Ivy League Summer School prohibits any form of private contact and communication between professors and parents/pupils. If any accident or financial dispute occurs as a result of the contact, the litigant will take full responsibility for the matter. Thank you for your cooperations.
